

PAVILION™ SLIQUE

A MORE BEAUTIFUL LIFESTYLE, EVERYDAY

Joining the market leading Pavilion range is the New Pavilion Slique, offering all the outstanding aesthetics that have defined Pavilion as the benchmark in stylish patio design. With slimmer proportions and unrivalled architectural appeal, the Pavilion Slique is absolutely perfect for executive townhouses or urban homes. Bringing a new level of sophistication to your alfresco lifestyle.

CLEAN ARCHITECTURAL CONTOURS

The timeless appeal of Pavilion Slique draws on classical architectural proportions, with substantial columns, proud bulkhead and distinctive Edge gutter. Offering you a simply beautiful environment for your outdoor lifestyle.

METICULOUS ATTENTION TO DETAIL

With market leading details such as Aluminium Composite panels and concealed fasteners, Pavilion adds an element of sophistication, elegance, and glamour to outdoor living.

Choice of insulated Cooldek or Slique Deck for your ceiling

Hidden fixings ensure a clean appearance

Range of lighting options integrated into the structure

“ Pavilion adds an element of sophistication, elegance, and glamour to outdoor living. ”

STRATCO PAVILION[™] *Slique*

CONTEMPORARY ROOFING OPTIONS

You can select from the smooth ceiling-like finish and thermal performance of Cooldek insulated roofing, or the clean spans of Stratco's Slique Deck in a range of colours. Both offer a clean modern appeal.

DAY AND NIGHT LIGHTING

To create the right ambience for your alfresco lifestyle, a range of integrated, dimmable LED lighting options are available for your Pavilion.

Day lighting under any Pavilion is also enhanced by the inclusion of the Pavilion Light Box which captures cool, free sunlight to enhance your daytime enjoyment. Optional LED lights can be included to turn the Light Box into a perfect day and night lighting solution.

Other sunlight options are also available which can be discussed with your Pavilion consultant.

Outback® Rooflites are available with Slique Deck
